

the images and selfies.

After that we going to our location Malinithan temple. Our teachers collected tickets for all of us from the ticket counter to enter the temple. We went inside the temple. There was a beautiful garden on the ground of the Malinithan. Then we entered the temple and we all of us prayer the God. Then we took group photo with a students and teachers.

After seeing everything we collected our bags and all went out. Our teachers arranged meal for all of us at a Likabali river side. All the student and teachers gathered at one place. Cook food and enjoy a meal at together. The we took our dinner was delicious and we enjoy very much then we return the way back at home 5 P.M.

Conclusion :- The whole trip was a personal experience we got to visit the beautiful place. Educational tour has an important role in students life. No matter how much students learn during an educational tour. The most important is the memory which they will keep with them lifetime and remember the fun they had with their classmates.

Trip For Socio-Economic
Survey on Malini Thon
Department of Education
and History, Gogamukh
College

Introduction: A field trip is a visit to an area outside of the normal classroom where children can try new things, have different experiences and learn valuable life lessons.

One day educational trip was organized by our department on 20-04-2023 to visit a very special place which was state of AMunahal Pradesh Malini Thon. The trip comprised students of 6th semester students accompanied by our 5 teachers and some other staff members. That day all students gathered in the college premise at 7.00 o'clock.

We started our journey at 9 A.M. with a bus. The distance from our college to that place was about 63.5 km. After a long journey of about 2 hours we reached at 11 A.M. at the location of Libhal River. First of all we do breakfast all the students and teachers were busy to take
