### **Field study Report on “A socio-economic status of Mingmang Village cum field trip to Ramjakhala of Bordoloni Block, Dhemaj”**

#### **Introductions and Study area :-**

On 9 May 2018, the 6th semester students of Department of Geography arranged a Field Study tour to study socio-economic status of Mingmang Village (Ramjakhala) of Bordoloni Block, Dhemaj to fulfill the requirements of their project work in their 6<sup>th</sup> semester syllabus. Mingmang is a beautiful village situated in Mingmang Panchayat of Bordoloni block, Dhemaji district. People of this village are living in very peaceful manner. Agriculture is the main occupation of the villagers. Mingmang is well known for its greenery, large open field and scenic beauty of Arunachala Himalaya. It has a huge potentially to become a national tourist place in near future. Ramjakhala is one of a such scenic beauty in the area.

#### **Objective:-**

- To familiar with the geographical and situation of the study area.
- To familiar with the socio-economic status of the study area.
- To familiar with the population composition of the study area.
- To know about the health and education facilities of the study area.
- To get ourselves acquainted with the people of the society and their culture.

#### **Methodology:-**

Field visits were made to get physiography, environment and socio- economic information from the villagers. Different survey tools like questionnaire, schedule are used in surveying. To fulfill the objectives of the study observation and interview method are applied for primary data collection while various secondary data are taken from various published and unpublished sources of information. And final report was prepared by description analyses method.

#### **Observation:-**

- The education system of the study area is not so well develop.
- There is no any community hall, library, cultural development centre in the study area.
- The primitive agricultural method is still followed in this village.
- Tourism is not properly developed inspired of its huge potentially.
- Ramjakhala is really a scenic beauty of Nature.
- Roadways to the Ramjakhala has to be delivered and beauty of the waterfall will be enhanced with little human effort.

#### **Outcome:-**

They were able to find out the socio-economic problems and prospects of the village. Still this village is waiting for Industrial development. Education, Drinking water, Road and Electricity are the main concern of this village. Young generation is more attracted towards mobile, Laptop and computer technology these days. If banks and finance institutions proved loan and other financial support to the villagers, this village will see the real development. Medical and health services has to be improved. Student were able to get in touch with us and the villages. They enjoy the beautiful sunny day with nature.
